**Among the Many, Independent Financial Group Stands Out**  
*The Independent Broker-Dealer announces recent accolades*

San Diego, CA – Independent Financial Group, LLC (IFG) an independent broker-dealer firm located in San Diego has been recognized recently by industry publications as a leader in the broker-dealer community.

Among the accomplishments, IFG has scored a 9.4 out of 10 in overall rep satisfaction on the Independent Broker-Dealer (IBD) Report Card published by Registered Rep. Magazine, ranking IFG at #6 out of all broker-dealers nationwide. Additionally, Financial Planning's 2012 report ranked them at #3 and #4 on the "Fastest Growing Broker-Dealer" list as noted within the Commission Revenue and Total Revenue categories, respectively.

"I couldn't be more pleased with our recent report card score", says David Fischer, Managing Director and Chief Marketing Officer of the firm. He adds, "scoring higher than much larger and strongly competitive broker-dealers says a lot about what we've accomplished over the years. It means that much more - knowing that our reps think we're the best and voted for us accordingly." Owner and Managing Director, Scott Heising comments, "We've worked very hard to create an open and friendly business environment for our advisors. These results confirm we're doing a good job at it."
