San Diego, CA - The San Diego Business Journal announced today that Independent Financial Group, LLC (IFG) has once again ranked among the top 100 companies on the annual San Diego Business Journal's Fastest Growing Private Companies. The *San Diego Business Journal* is in its 10th year of producing this prestigious listing. From travel and high tech to marketing and microbrewing, the wide variety of companies making the cut represent the vitality and expansion being seen throughout San Diego's reinvigorated economy. Also featured on the list are some of San Diego's most dynamic organizations such as Stone Brewing Co., J Public Relations and Lusardi Construction Co.

President and Publisher Armon Mills states, "This has been a very exciting event since its inception in 2004, and speaking for everyone at the San Diego Business Journal, we congratulate all 100 companies on their tremendous growth and success."

To be considered, organizations are required to have generated revenues in excess of \$200,000 in 2010, the starting point for the comparison. The financial details of each organization's business operations in 2010, 2011 and 2012 were reviewed. The information was extensively analyzed and verified by CPA attestations. Additionally, businesses were required to be San Diego-based, independent and privately held; but, not a division or subsidiary of another organization, public or private.
