San Diego, CA – San Diego-based independent broker-dealer, Independent Financial Group, LLC (IFG) has announced today that their number of affiliated financial advisors has now reached just over 600 located in 38 states, including Puerto Rico. Their growing roster of registered representatives who are licensed to sell a variety of financial products and services, employ hundreds of administrative staff and assistants; adding to the nearly 400 offices the broker-dealer supports.

“We remain equally steadfast and committed to our dedicated group of affiliated financial advisors and our corporate office staff .” Comments David Fischer, Owner and Managing Director of the firm. He adds, “We continue to acquire quality financial advisors and grow successfully because what you see is what you get.” He adds, “In the relatively short time we’ve been in business, we’ve expanded the firm to meet the level of growth that it took our competitors to acquire over a significant number of years.”

“We also believe in supervision and compliance with trust and respect, where other firms may not,” explains Joe Miller, fellow Owner and Managing Director. He continues, “This makes us a unique player in the marketplace.” Mr. Fischer concludes, “It is simple. There is no magic to what we do. We stay true to our founding values, we run our business with integrity and have maintained a culture of balance throughout our organization – this is why our advisors stay with us; and we remain ranked at the top above our competing broker-dealers.”
